ANNIVERSARY

SBC2

PALE AMERICAN-BELGO-STYLE ALE
BREWED WITH BLOOD ORANGE ZEST
DRY HOPPED WITH CITRA

SBC2 marks our second anniversary crafting beer in honor of those who serve our country, and we humbly continue our duty of donating a portion of our revenue to support them. Thank you for helping achieve our mission as we dedicate SBC2 to all of the charities out there making the world a better place.

This Pale American-Belgo-Style Ale is a beer unlike any other. Cultured from honeycomb collected from our small brewery apiary, our house yeast brings forth Belgian-like characteristics of fruity esters, spices and floral notes. Pair that with mango sweetness and citrus tang from hop additions and blood orange zest, and you have a juicy brew that's one to celebrate, not cellar. Drink fresh.
