FREEDOM MACHINE VOL. 8

Freedom Machine Vol. 8 is a New England-style IPA with notes of stone fruit and tropical flavors, with subtle undertones of woody, herbal and floral aromas. Dry hopped with a copious amount of Yakima Chief's 8th annual Veterans Hop Blend, this forever evolving IPA has a hop profile that will transform year to year. This year's Veterans Blend consist of four dynamic Pacific Northwest-grown varieties and by purchasing this blend, we are directly supporting veteran charity, Soldiers' Angels. Soldiers' Angels, a nonprofit organization providing aid, comfort, and resources to the U.S. military, Veterans, and their families.
